

Waqt — Privacy

Waqt is published by ShafiAppCo.

Location

Location is used only to calculate prayer times and the Qibla direction. The place you pick is stored on the device.

On-device data

Prayer checkmarks and favorites stay on the device. Waqt has no account and does not sell personal data.

Network

Quran text, translations, and hadith may load from public CDN copies of open datasets. City search uses Open-Meteo. Those requests include the query or chapter you open.
